## Terms and Conditions

1. The College requires students to: attend all lectures and classes; submit written work when requested; attend all tests and examinations; and work diligently throughout the programme.
2. Upon receipt of your application, the College will issue you with a confirmation of eligibility letter confirming your eligibility for the programme. This letter will state the deposit amount required (normally at least 50%) to secure your place and details on how to pay this fee.
3. Upon receipt of your deposit, you will be issued with a confirmation of acceptance letter which you may use to obtain a student visa (if required).
4. If we are not able to accept you for your chosen programme, any deposit or fees paid in advance will be refunded in full (subject as provided in these Terms and Conditions).
5. Enrolment on a programme, together with the payment of the required deposit, creates a binding agreement to follow the programme and to pay the full fees. Deposits are non-refundable and non-transferable (except as provided herein). All fees must be settled on or before the commencement date of the programme. Failure to pay your fees due by the specified time will result in your enrolment being refused and consequent exclusion from the College.
6. In the event of cancellation, for whatever reason, the following will apply:
  - a) Cancellations must be made in writing directly to the Director of Admissions at the College. These will only be considered to have been made on the date which they are received by the College.
  - b) For cancellation requests which are received less than eight weeks before the programme commencement date, the deposit will not be refunded, but the balance of any fees already paid will be refunded.
  - c) Where cancellation requests are received after the programme commencement date, for whatever reason, no refund will be given.
  - d) Refunds of any amount are not available for study materials, where the materials have been supplied to the student.
  - e) Courier and transfer charges will be deducted by the College from any amounts refunded.
  - f) The Home Office will be directly notified of all cancellations where a visa support letter (confirmation of acceptance) has been issued and/or a visa granted to a student.
  - g) For students who are not successful in obtaining a visa, a full refund will be granted on receipt of a written request for a refund which is accompanied by a copy of the student's passport (showing both a photograph and signature) and a copy of the official visa refusal letter from the relevant High Commission/Embassy. This request must be submitted within four weeks of the commencement of the programme (published date).
7. An offer of a place on any programme is for a specific intake. Fees paid will not be carried forward if you transfer to the next intake unless your reasons for seeking such a transfer is that:
  - a) you were unable to register in time for the intake you expected to join because delays were experienced in securing a visa; or
  - b) you were required by the College to take an English language programme.The College will refuse deferrals for students (and no refund will be given) where it has reason to believe students have entered the UK on the basis of the College's visa support letter (confirmation of acceptance) and are not studying as necessary at the College (given the visa requirements).
8. Deferrals will only be allowed to occur for the next possible intake within 12 months of the intended start date. You are not permitted to defer your admission if a visa has been granted. Any deposit paid is non-refundable outside of this period.
9. All fees exclude amounts payable directly to the University of London by students studying on University of London External programmes. The College accepts no responsibility for this, but details of these amounts are available on request.

10. Where students change their programme of study during the term, no refund will be given for the revised programme if it contains fewer modules/subjects than the original programme and additional fees will be payable if the revised programme contains a higher number of modules/subjects than the original programme.
11. The College reserves the right to cancel any programme with four weeks notice prior to the published commencement date of the programme, whereupon any fees paid will be refunded in full.
12. The College reserves the right to withdraw any module/subject up to four weeks after the published commencement date where it considers that it is not viable to run that module/subject, whereupon an alternative subject will be offered, or a pro-rata refund of the programme fees will be given.
13. For programmes leading to qualifications awarded by the Universities of Wales, Huddersfield and Liverpool John Moores, students must agree to be bound by the relevant University's Regulations and any subsequent amendments made thereto from time to time.
14. Anyone supplying false information on the application form is liable to suspension or expulsion from the College.
15. The College reserves the right to require a student to leave the programme (without refund) at any stage: if the student does not fulfil the above requirements (including satisfactory attendance), late enrolment, inappropriate conduct or behaviour, or any other circumstance deemed unacceptable to the College. Any fees refunded to an excluded student are at the discretion of the College.
16. The College reserves the right to require a student to leave a programme at any stage if their financial obligations to the College are not fulfilled. Any fees refunded in this instance are at the discretion of the College.
17. The College reserves the right to inform the appropriate authorities (including the Home Office) where a student has been removed from study with the College or is failing to meet ongoing attendance or fee payment requirements.
18. The College reserves the right to increase tuition fees at any time. All fee changes will be published in the College's marketing materials and on the website [www.holborncollege.ac.uk](http://www.holborncollege.ac.uk). Paying a deposit does not prevent any increase being applied.
19. Students wishing to extend their visa will not be issued with a visa support letter (confirmation of acceptance) unless they re-enrol as necessary and pay the required amount of programme fees on re-enrolment.
20. Dishonoured cheques will result in a charge by the College of £25 to cover administration and bank charges, as well as the risk of admission to study being refused.
21. The Home Office specifies attendance requirements for study and visa renewal. Students are responsible for signing the attendance register circulated during each class in order to provide acceptable evidence of attendance to the Home Office.
